5.0 Exhibition rules / Conditions of participation

5.1 Event

5.1.1 Trade fair event organiser is trendfairs GmbH, Stefan-George-Ring 2, 81929 Munich, Germany, represented by their managing director, Ulrike Rohde. The trade fair management is the responsibility of Ulrike Rohde, Arian Kiesling and Michael Rambach.

5.1.2 Participation in the event is subject to a corresponding agreement between the organiser and the exhibitor. This becomes effective upon registration by the exhibitor and confirmation of participation by the organiser.

5.2 Registration

5.2.1 The exhibitor's application to take part has to be submitted in writing to the organiser using the organiser's forms. The application form has to be completed in full and have a legally binding signature. By signing this document, the exhibitor accepts the general conditions of participation.

5.2.2 Reservations and conditions are not permitted during the registration. If such are entered on the registration form, they shall be considered as legally invalid, unless they are confirmed in writing by the organiser.

5.2.3 The decision with respect to accepting the application for participation and allocating the stand is made by the organiser with the diligence of a prudent businessperson and within the bounds of the available discretion. In case of overbooking, the order of receipt of applications shall be decisive. There is no entitlement to participate.

5.2.4 The organiser may, for objectively justified reasons, in particular if the available exhibition space is not sufficient, exclude individual applicants from participation and / or, if this is necessary for the achievement of the event objective, restrict the event to certain exhibitor groups or supplier groups.

5.2.5 The exhibitor shall receive written confirmation of participation when the application for participation is accepted. The stand number, stand size and other details of the stand occupancy shall be provided in a separate written notification.

5.2.6 The stands are allocated by the organiser on the basis of considerations that are determined by the theme of the exhibition. Exhibitors are not entitled to the assignment of particular stand areas and do not become entitled to this even if they have occupied the same area at one of the organiser's previous events. The organiser will, however, take into consideration, as far as is possible, specific stand requests. An area that is allocated with a +/- 10 % difference is within the range of tolerance and does not require consultation with the applicant.

5.3 Stand design

5.3.1 The stand design and set-up required for this are a matter for the exhibitor. The exhibitor is required to comply with the theme and image of the event. The event organiser is entitled to stipulate certain arrangements in this regard. The exhibitor shall be responsible for complying with safety regulations. Stands that adversely affect the overall image of the event will not be accepted by the organiser. The same applies to unacceptable advertising messages.

5.3.2 The allocated stand dimensions must not be exceeded. The maximum stand height is 350 cm. Stand heights that deviate from this require the consent of the trade fair management. Hall ceiling attachments also require the consent of the trade fair management. From a height of 250 cm and above, the rear sides of stand partition walls must have a pure white and visually flawless surface. In particular, they must not display any text or graphics.

5.3.3 The exhibitor is obliged to occupy the stand for the entire duration of the event during opening hours.

5.3.4 The sub-letting of stand areas or other transfers to third parties is forbidden. In the event of an infringement, the event organiser shall be entitled to extraordinarily terminate the participation agreement without notice. In such an event, the exhibitor shall remain liable for the payment of the agreed stand rental and any other costs.

5.4 Premature termination of the contract

5.4.1 Exhibitors shall be bound by their applications up to 3 months before the start of the exhibition. An ordinary termination of the participation agreement is not envisaged. The right to extraordinary termination shall remain unaffected.

5.4.2 If an exhibitor cancels their participation after confirmation of participation has been given up to 3 months before the event begins, they will owe 40 % of the agreed stand rental as liquidated damages. If the cancellation is made subsequently (and after confirmation of participation has been given), the exhibitor shall owe 100 % of the agreed stand rental as liquidated damages. Cancellations must be made in writing. The right of the exhibitor to prove that damage has not occurred, or is equivalent to a much lower amount than the agreed compensation fees, shall remain unaffected. In the event of cancellation or other unauthorised rescinding of the contract, the organiser is entitled, but not obliged, otherwise to freely dispose of the stand area.

5.4.3 The organiser is entitled to withdraw from the contract, or to extraordinarily terminate it without notice if good cause exists on the side of the exhibitor. Such grounds shall exist, in particular, if an application for the launch of insolvency proceedings has been made against the exhibitor, such an application was rejected for lack of assets, or insolvency proceedings have already been opened.

5.5 Invoicing / payment

5.5.1 The invoice for the stand rental and other costs incurred shall be issued approximately 10 weeks before the start of the event. The invoice shall be payable immediately and without any deduction on receipt.

5.5.2 There shall be no right to occupy the stand until all due payments have been paid in full. Likewise, in this event, no exhibitor pass shall be issued.

5.5.3 The organiser shall be entitled to extraordinarily terminate the participation agreement without notice if, despite reminders, the exhibitor has not made due payments. In such a case, the organiser is entitled to dispose of the stand area without further notice.

5.5.4 The event organiser reserves the right to assert the statutory lessors' lien.

5.6 Force majeure

5.6.1 If there are urgent reasons that are no fault of the organiser, or in cases of force majeure, the organiser has the right to postpone, shorten, lengthen, or cancel the event and also to vacate and to keep vacated, temporarily or for a longer period, one or more exhibition areas, or the entire exhibition area.

5.6.2 In such an exceptional case, exhibitors shall neither be entitled to withdraw from the contract nor to claim compensation.

5.6.3 If the event does not take place for reasons for which the organiser cannot be held responsible, the organiser may require the exhibitors to pay up to 25% of the agreed stand rental as a general expense reimbursement.

5.6.4 If the event, once opened, has to be abandoned owing to reasons for which the event organiser cannot be held responsible, no refund of the stand rental and other payments shall be made.

5.6.5 The organiser is not liable to the exhibitor for damages and other disadvantages arising from a cancellation or abandonment of an event for reasons for which the organiser cannot be held responsible.

5.7 Place of fulfilment / place of jurisdiction

5.7.1 Place of jurisdiction is Fürth, place of fulfilment is Fürth. The organiser is entitled, if it so wishes, to bring an action against an exhibitor at the court having jurisdiction at the exhibitor's place of business.

5.7.2 German law shall apply exclusively.
